Information Meeting – Unlock Funding Opportunities

Stop wasting time searching for the right funding calls—we've got you covered!

In this session, we'll identify the most relevant opportunities for your company at regional, national, and EU levels. Our expert team will bring in the right specialists to present these opportunities, ensuring you have all the insights you need to succeed.

Held every February and September, these sessions are strategically aligned with the primary funding call schedules. This ensures tech companies like yours can maximize opportunities and focus on what matters most—driving innovation and growth.

Partner Matching – Connect, Collaborate, Succeed

This module is designed to help you find the right partner for your application and take your ideas to the next level.
Whether you're seeking partners, funding, or inspiration, this module provides the tools and connections you need to make it happen.

Your Path to Partnership:

1. Share your vision with ease

Fill out a simple 1-page template to describe your idea, which will be featured on the OpenTech webpage. We will help you to find the right match!

2. Expand your reach

Join our R&D LinkedIn Group to showcase your ideas and connect with like-minded innovators.

3. Tailored matchmaking

Participate in a focused matchmaking event, offered either digitally or in-person, where you will get the chance to pitch your idea and find ideal partners.

Application Writing – Expert Guidance to Craft Winning Proposals

Transform your funding applications into success stories with our dedicated Application Writing module. We provide personalized support to ensure your proposals stand out.

Flexible and Convenient

Book a session through our user-friendly drop-in tool, allowing you to get the help you need when it suits you best.

With our hands-on guidance, you'll have everything you need to create compelling applications and secure the funding your company deserves. Let's turn your ideas into reality!
